Not Independent

Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

We are authorised to provide personal or general financial advice on:

- Wealth Accumulation
- Personal insurance

We are authorised to provide advice on and arrange the following products:

- Deposit and payment products, including basic deposit, non-basic deposit, and non-cash payment products
- Life Products – Investment life insurance

Your adviser may also be authorised to advise on other specialist areas. These are listed in their adviser profiles.

Transaction services

In limited circumstances, we can arrange financial product transactions for you on your instruction without providing personal advice.

Instructing us

You can give us instructions by telephone, mail, email, or other methods, as agreed with your adviser.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate, the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we can determine if our advice is still appropriate.

Credit services

In addition to financial services, we are also authorised to assist you with advising and implementing loan products and consumer leases.

Credit documents you may receive

When we provide credit assistance, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Credit Proposal. We will retain this document and you may request it by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

Lenders and lessors

The Licensee has a broad panel of lenders and lessors for your Accredited Mortgage Consultant (AMC) to choose from. The full list of approved lenders is available on request but is not an exhaustive list of lenders who offer credit of the nature you may seek.

As at March 2025, the lenders whose products are most commonly recommended by AMCs authorised by the Licensee are Westpac, Macquarie Bank, Bankwest, AFG Home Loans, St George Bank, Bank SA.

Benefits we may receive from lenders and lessors

Subject to compliance with relevant laws, including relating to conflicted remuneration, lenders may offer incentives that are paid directly to the AMC. These may include indirect benefits, for example business lunches, tickets to sporting or cultural events, corporate promotional merchandise and other minor benefits.

Credit reports and valuations

We may be provided access to free services such as credit reports and valuations from our lenders. Details of any relevant services we may receive because of a recommendation we make to you, will be included in the Credit Proposal we provide to you.

Tiered Servicing Arrangements

Through your AMC's relationships with lenders, they may have access to tiered servicing arrangements. The benefits can include faster processing, better information or greater levels of assistance provided for obtaining loan approval. You will be advised of any tiered service arrangements that are in place with a particular lender that they have proposed at the time recommendations are made.

Access to these programs is not based solely on the volume of new or existing lending your AMC's customers have with each respective lender and does not entitle them to any additional commissions outside of what they have disclosed to you, any additional payments or preferential customer discounts.

Mortgage aggregators

Mortgage aggregators act as a gateway or interface between mortgage brokers and lenders by providing an IT platform through which brokers submit loan applications and deal with lenders. They also provide some ancillary services. We aggregate via Loan Market.

The aggregator may invite AMCs to conferences and professional development events to hear industry updates and educational presentations by the aggregator and lender sponsors. The aggregator may subsidise some attendance costs, subject to compliance with relevant laws. The value will depend upon a range of factors, including the nature of the courses and events planned. Any benefits that we may receive that are related to a loan recommended to you which is regulated by the National Consumer Credit Protection Act 2009 (Cth), will be disclosed in our advice to you prior to application.

Privacy Collection Statement

We are committed to protecting your privacy and outline below how we maintain the privacy of the information we collect about you.

As part of the advice journey, we need to collect information about you. Where possible we will obtain that information directly from you, but if authorised by you we may also obtain it from other sources such as your employer or accountant. If that information is incomplete or inaccurate, this could affect our ability to analyse your needs, objectives and financial situation, so our recommendations may not be appropriate or suitable for you.

We are also required to implement client identification processes under the Anti-Money-Laundering and Counter-Terrorism Financing Act (AML/CTF) 2006. We will need you to present identification documents such as passports and driver's licenses to meet our obligations.

We keep your personal information confidential and only use it in accordance with the Entireti Limited (Entireti) Privacy Policy. Some of the ways we may use this information are set out below:

- We and the Licensee may use this information to provide financial and/or credit advice and services to you, including passing on your details to third parties such as product issuers;
- We may disclose your information to other financial advisers, brokers and those who are authorised by the Licensee to review clients' needs and circumstances from time to time, including other companies within Entireti;
- Your information may be disclosed to external service suppliers both here and overseas who supply administrative, financial or other services to assist us and Entireti to provide financial and/or credit advice and services to you. A list of countries where these service providers are located can be found in the Entireti Privacy Policy;
- Your information may be used to provide ongoing information about opportunities that may be useful or relevant to your financial needs through direct marketing (you can opt-out at any time); and
- Your information may be disclosed as required or authorised by law and to anyone authorised by you.

We and the Licensee will continue to take reasonable steps to protect your information from misuse, loss, unauthorised access, modification or improper disclosure. You can request access to the information we or the Licensee holds about you at any time to correct or update it as set out in the Entireti Privacy Policy. The Entireti Privacy Policy also contains information about how to

make a privacy complaint. For a copy of the Entireti Privacy Policy visit <http://www.entireti.com.au> or you can contact us.

Separately managed accounts (SMA)

A separately managed account (SMA) is an account where a responsible entity, based on advice from a professional investment manager, can make investment decisions on a client's portfolio and transact on those decisions without requiring the client's express consent each time. This means the responsible entity is responsible for the discretionary management of the client's investment portfolio.

We distribute the Private Portfolio Collection, which are administered by MyNorth, BT Panorama & HUB24.

We are not the investment manager.

The responsible entity appoints a professional investment manager to advise on the SMA portfolio's management. The responsible entity makes all investment decisions relating to the SMA portfolios.

For more information about how the product works and the roles and responsibilities of the key parties, please refer to the Private Portfolio Collection PDS which we provide to you if we recommend the SMA product to you.

Fees

Other than the fees disclosed under 'Our Fees' above, we do not receive any other remuneration in relation to the Private Portfolio Collection.

Note

If you are no longer our client, the responsible entity may have the discretion to move your investments out of the Private Portfolio Collection.
